WHAT DID I DO TO BE ACTIVE TODAY? (Include time)

Walked the dog around the block for 20 minutes.
 Played soccer in the backyard with the kids for about an hour.

WHAT DID I DO FOR MYSELF TODAY? ("Me time")

Listened to music at my desk while at work.
 Read a book for an hour before bed.

FOOD FOR THOUGHT (Notes, goals, insights, challenges, reminders, questions)

Question: Is it ok to eat late in the evening or before bed?

It felt good to play outside with the kids, even though I was tired, I felt better afterwards.

Tomorrow, I hope to be more active.
